

THE CAPABLE MAN
Mzamo Masito

How hard it is to find a capable man!
He is worth far more than my material possessions
His wife puts her confidence in him, and she will never be poor
As long as he lives, he does her good and never harm – no abuse of any kind

He speaks with a gentle wisdom
He is no cheat, womaniser, buys no prostitute
He keeps himself in shape and in good health
Give his wife credit card and sometimes signed blank cheque
He brings home food, clothes, jewellery, and fashion items from far away places

He gets up early to prepare food sometimes for the family
He looks at land and buys it and knows the value of money and time value of money, money wise.

He is a hard worker, strong and industrious
He knows the value of everything he makes
He spoils her by fulfilling her deepest desires, and wishes
He is generous to the poor and needy

He does not worry when it is cold because his family has warm clothes and shelter

He wears clothes of fine linen and fabric – has style
He is well groomed
He is well known, one of the leading citizens
His wife is well known, one of the leading citizens
He is an entrepreneur,

He is strong and respected and not afraid of the future
His children shows their appreciation and his wife praises him

SHE says “many man are good husbands and partners; but you are the best of them all

Charm is deceptive, and good looks disappears, but a good man who honours the Lord thru his wife and children should be praised

Give him credit for all he does. He deserves respect of everyone
